12 Session Package	\$1,920

WHY PACKAGES?

- Buying a package increases your dedication to the process. In my experience, those who purchase a package are more accountable to themselves and have more long-lasting results.
- Buying a package decreases the price per session (roughly 10% for 6 sessions, 15% for 9 sessions, and 20% for 12 sessions).

*If you cannot afford my prices but want coaching, please email me to discuss options.
